REQUEST FOR CORRECTED FILING RECEIPT

Honorable Commissioner of  
Patents and Trademarks  
Washington, D.C. 20236

July 21, 1987

Sir:

Although this application is a File Wrapper Continuation of parent Application SN 748,591 (filed June 14, 1985), the filing receipt (copy herewith) identifies the priority applications as applications of the Federal Republic of Germany. Such priority applications were actually filed in Switzerland, as correctly recognized in the filing receipt (copy herewith) for the noted parent application. The Swiss parent applications were also correctly identified on the original executed declaration (copy herewith).

Kindly correct the filing receipt accordingly and issue a corrected receipt. As the error was not Applicant's fault, there should be no charge for issuance of a corrected filing receipt.
